President Report by Mario Forte

Jeremy Weldon was elected Member-at-Large.

Mario met with Robbie Kelly (Member-at-Large with Southern Bears), who is organizing a camping trip to the south Georgia coast in September (or later) in tandem with Jacksonville Bears.

I will send Mario the updated membership roster to update his mailing labels for our newsletter.

Membership Report

We have 43 total members, including 6 associates. Eight members have let their memberships expire but had not indicated they intended to resign at that time. Ten additional memberships were set to expire in July.

Treasurer's Report

We currently have \$468.61 in the bank; this is unchanged from last month.

We will be discussing and voting on the revised set of bylaws at the July meeting.

New Business

Kenny Griffith has sent out e-mails about the July rafting trip to other nearby bears groups.

Cultural activities: I continue to stay on the mailing list for Actor's Express in Atlanta, which sometimes stages gay-themed productions. I will also contact Julie Adams about the Sweet Adelines for performance dates.

Bear Jam is the weekend of July 23 in Nashville.

Mario has volunteered to head up the sports and recreation committee for the club.
